

## How to reach my office at von-Danckelmann-Platz 3 in 06120 Halle?

- 1) By train: take the tram line 4 from the railway station in direction "Kröllwitz". Tickets are available in the main entrance hall of the railway station in the HAVAG office or at automats. Leave the tram at station "Straßburger Weg". It is the 9<sup>th</sup> station. Cross the rails of the tram and go through the large gate to the big parking place behind. Turn right and follow the arcaded sidewalk until the end. Now you should have reached the building. My office is in the 4<sup>th</sup> floor, room 4.36. In case I am not there, ask my colleague H. Mähl (Room 4.33).

- 2) By car: It is possible that the von-Danckelmann-Platz is not available in your navigation system. In that case try von-Seckendorff-Platz 1. This building is just opposite on this big parking place.

Have a look to Google Maps: [Link](#).

My phone numbers:

- office +49-345-55-25560
- mobile +49-174-8587390

The HAVAG time table is [here](#), the map is [here](#).
